

THE COMMONWEALTH OF MASSACHUSETTS

DEPARTMENT OF TELECOMMUNICATIONS AND ENERGY

Boston, Massachusetts
[Date]

D.T.E. _____

Petition of the New England Power Company for a determination by the Department that the present situation of a parcel of land held in easement by the Petitioner at Salem Harbor Station in Salem, Massachusetts, as shown in detail on maps or plans submitted in this proceeding, and the 115kV switchyard additions to be erected and maintained thereon by the Petitioner for transmission support, are reasonably necessary for the convenience and welfare of the public, and that said land and the substation structures to be built and maintained thereon be exempted from the operation of the Zoning Ordinance of said city to the extent applicable thereto.

Upon the foregoing petition, the Department of Telecommunications and Energy will hold a public hearing at the _____ in Salem, Massachusetts on _____ the _____ day of _____ at _____.

Petitioner is required to give notice of said hearing by publication hereof once at least 14 days prior to said date in the Salem Evening News and to serve a copy hereof by registered mail at least 14 days prior to said date on the Town Clerk, Chairman of the City Council of the City of Salem and on all persons owning real estate abutting the parcel of land hereinabove referred to, as determined by the last preceding assessment for taxation and to make return of service and publication at the time of hearing.

By order of the Department,

Mary L. Cottrell
Secretary
